### SCS FAQ

#### 2. Do I have to buy a Member Kit to join the Superclose Society?

Absolutely not! You can become a member by following us online, signing up for the SCS mailing list or purchasing a Member Kit. You can make it official in any way you want - participation and membership is on your own terms!

The only difference between the Deluxe and Standard Member Kits is the merch offering - the perks will be exactly the same. Each member kit includes: 16 embroidered circle patches, 2 unique SCS patches, a welcome letter from Tegan and Sara, and a membership card. The deluxe kit also comes with a canvas sack printed with an SCS logo pattern, a handmade sash and a t-shirt.

#### 4. Will there be more patches available?

Yes! There will be a variety of additional SCS patches available in the coming months. Collect, trade and share them with your fellow SCS community!

#### 5. When will I get my Superclose Society Member Kit?

Deluxe and Standard Member Kits will start being shipped out on April 28th - just in time for our Let's Make Things Physical Tour!
